VACANT LAND AVAILABLE IN THE SUBURB OF BELGATE

Discover a rare opportunity in the heart of Belgate: a vacant land parcel situated above road level, offering protection against flooding. Located near the district entrance, this prime property ensures both safety and accessibility for prospective owners. Its elevated position serves as a natural barrier against rising waters, providing invaluable peace of mind in an era of increasing climate uncertainty. The land is conveniently located within close proximity to essential amenities and transportation networks, residents can navigate in and out of the district effortlessly.
