****SOLE & EXCLUSIVE MANDATE****

This is certainly amongst the most well-cared-for farms in the area of Tongaat. It is centrally located within the Fraser suburb of Tongaat and within a short distance of Tongaat town and Hullet Sugar Mill. The distance from Ballito to the Farm is only 5.7 km of travel along the R102 route from Stanger. The sugar cane patch measures about 3.85 Ha. Sugar cane produces around 200- 250 tons per year depending on rainfall. Harvest is in August and cane is supplied to Tongaat Hulett.
